Our Services

We are a member of Brokers Ireland. As a member of Brokers Ireland we must be in a position to place insurance with at least five insurers of the relevant form (life) and therefore can generally give consumers greater choice than agents and tied agents.

Our principal business is to provide advice and arrange transactions on behalf of our clients in relation to life, pensions and mortgages. A full list of insurers, product producers and lending agencies with which we deal is available on www.kinsellafinancial.ie. We act on the basis that:

- The principal regulated activities of the firm are provided on the basis of a fair analysis of the market
- You have the option to pay in full for our services by means of a fee

Life & Pensions/Deposits & Investments

We provide life assurance and pensions on a fair analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies it is our policy to explain to you:

- The meaning of disability as defined in the policy
- The benefits available under the policy
- The general exclusions that apply to the policy and
- The reductions applied to the benefit where there are disability payments from other sources

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Mortgages

Through the lenders or other undertakings with which we hold an agency, David Kinsella Financial Services Limited can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

We provide mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

We may receive up to 1% (or whatever maximum is applicable) of the loan for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you. Information on the variation in levels of commission payable by the different creditors providing credit agreements being offered are available on request.

Please note that lenders may charge specific fees in certain circumstances and if this applies, these fees will be specified in your Loan Offer. You have the right to pay a fee separately and not include it in the loan. Typically, this situation arises in relation to specialist lending.

We charge a fee of €500 for processing a mortgage application, acquiring approval and completing to drawdown of funds. This will also involve dealing on your behalf with the relevant interested parties including but not limited to solicitors, auctioneers and valuers, engineers and architects, accountants, and employers. If we provide mortgage advice and obtain a Loan Offer for you and you subsequently do not proceed with your mortgage application through our firm, we will charge you an arrangement fee of €300 for our services.

Fees

We are remunerated by commission and other payments from product producers or lenders on the completion of business. You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to on-going advice/assistance exceeds 3 hours.

In certain circumstances, it will be necessary to charge a fee for services provided. These are listed below for life, pensions & investments and Standard PRSAs. In other circumstances where fees are chargeable or where you choose to pay in full for our service by fee, we will notify you in writing in advance and agree the scale of fees to be charged if different from fees outlined below.

If we receive commission from a product provider, this may be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

Consultancy Fee – Financial Advice

We may charge a consultation fee of €150 per session for financial advice. In most scenarios, when we are remunerated by a product provider for the completion of business on your behalf, this consultation fee can be waived.

Fair Analysis

The concept of fair analysis is derived from the Insurance Mediation Directive. It describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could be reasonably expected of a professional

conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria:

- The needs of the customer
- The size of the customer order
- The number of providers in the market that deal with brokers
- The market share of each of those providers
- The number of relevant products available from each provider
- The availability of information about the products
- The quality of the product and service provided by the provider
- Cost and
- Any other relevant consideration

Disclosure of Information

Any failure to disclose material information may invalidate your claim and render your policy void.

Conflicts of interest

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises we will advise you of this in writing before providing you with any service.

Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change. You must advise us of those changes and request a review of the relevant policy so that we can ensure that you are provided with up to date advice and products best suited to your needs. Failure to contact us in relation to changes in your circumstances or failure to request a review, may result in you having insufficient insurance cover and/or inappropriate investments.

Ongoing Suitability: Investments

Ongoing suitability assessments form part of the service to clients. On an annual basis the firm will issue a client report outlining changes in the services or instruments involved and/or the circumstances of the client.

Default on payments by clients

Our firm will exercise its legal rights to receive payments due to it from clients (fees and insurance premiums) for services provided. In particular, without limitation of the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions. Mortgage lenders may seek early repayment of a loan and interest if you default on your repayments. Your home is at risk if you do not maintain your agreed repayments.

Complaints

Whilst we are happy to receive verbal complaints, it would be preferable that any complaints are made, in writing. We will acknowledge your complaint within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and, the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the

matter to the Financial Services Ombudsman or the Pensions Ombudsman. A full copy of our complaints procedure is available on request.
